Internet Permission

In an effort to provide additional service to the units, and to bring the council forward in the Age of Technology, Burlington County Council will begin publishing the Merit Badge Counselor Listing on the Council Web Page. This listing will be contained in the Advancement section of the web page, and will require a password for access. It will be available to adult Scouters only, with the password being changed quarterly for additional security. The intent is to give unit leaders an up-to-the-minute listing and the ability for Merit Badge Counselors to verify their application status, and a means for communication via e-mail for all parties involved. (A hard copy will also be available at the Council Service Center).
