► Want to join a Boy Scout troop?

GREAT! If you are a boy 10- 1/2 thru 18 you can join our troop! We are one of several excellent BSA troops in the Medford area - we'd like you to join ours if you feel comfortable and want to have fun!

Camporee with 'floating' flagpole

Come and visit and attend an event to see if you enjoy the activities! Our schedule is listed on our website (www.troop26bsa.net). At a meeting ask for the scoutmaster or assistant scoutmaster or anyone on the committee - we will be glad to help you and give you more information on our troop and the others in the area.

But whether you join our troop or another - get involved in scouting! Here is what to do:

- 1) Talk to your parents. Let them know you are interested and ask them to take you to a meeting or even a campout!
- 2) Call our Scoutmaster (phone # on web) or ask you parents to do this) and let him know you want to come to check out our troop and meet friends you never knew you had!
- 3) Come to a meeting or a campout! Lots of new friends and adventure awaits you!

High Adventure

From skiing in Vermont to scuba certification in Florida, high adventure backpacking in New Mexico to canoeing in the Northern Tier of Minnesota —we've done it all. Life changing events, you will remember these trips forever. Our high adventure trips are about once a year, and require planning and preparation using the skills you learn in our troop.

Activities

We hold weekly meetings where we work on 'advancement' thru the scout ranks, and plan our next event. "Be Prepared" is our motto, so we make sure we have the food, transportation, reservations and other items for a safe and fun environment. Some weeks we might go bowling, or swim at the local school. Other times we have a camporee, whitewater rafting or backpacking trip in the mountains.

Service

Our troop regularly participates in community events. We support the town of Medford with the "Art & Music" festival and the Dickens festival each year. We have lots of projects to support

Summer Camp

charity events like the MS150 bike trip, the Relay for Life, and other worthwhile fundraising events. And our Eagle projects provide lasting contributions to the community as well. And guess what—these events are lots of FUN too!!

Advancement

From 'Scout' to 'Eagle' you'll learn leadership and life skills that will help you forever! From knots to fire building to leadership opportunities, you'll learn lessons for life.
